- Punjabi

ABOUT ME

I'm a passionate and motivated learner with a strong interest in full stack web development. I enjoy building responsive and user-friendly websites. I have hands-on experience with HTML, CSS, JavaScript, and tools like React Js. I'm always eager to learn new technologies, improve my skills, and work in a team. I'm looking for an internship where I can gain practical experience and contribute to real projects.

WORK EXPERIENCE

Full stack web development

IDEOVERSITY, ARFA KAREEM |2025

- Currently enrolled in a Full Stack Web Development course.
- Learning front-end and back-end skills (HTML, CSS, JavaScript, React, etc.)
- Working on real projects and practical tasks as part of the course.

Graphics designing

JDC FOUNDATION |2024

- Learned key design principles, including color theory and layout.
- Mastered tools like Adobe Photoshop and Coral draw.
- Learned to create logos, branding, social media posts.
